

INLET SWAMP JURY RAN INTO BAD LUCK ON FIRST DAY'S TRIP

BARGE STUCK IN MUD AND JURY
MEN HAD TO TRAMP
ALONG DITCH

JULE WILLIAMS WAS INJURED

Suffered Painful Hurts When He
Alighted From Truck In
This City

Jule Williams of this city, one of the members of the jury to pass on the confirmation of the ninth assessment roll in the Inlet Swamp Drainage district, sustained painful injuries Wednesday evening, after the jury had returned to this city, after spending the first day out in the district looking over the land, and he will be laid up for several days as a result of the accident.

The trip was made in a large motor truck and it was about 6:30 o'clock when they arrived in this city. At the corner of Fifth street and Peoria avenue a stop was made to permit Mr. Williams and R. C. Bovey to get off, their homes being close by. Mr. Williams in getting off the truck fell and his right foot was thrown under the rear wheel of the machine. The machine was moving slightly and his foot was caught, but luckily driver Fred Hark stopped it before the wheel had passed over the foot. Mr. Williams was picked up by other members in the party and assisted to his home and a physician called. It was found that the right ankle had been badly sprained and the skin on the shin bone was badly abraded.

Make Slow Progress

The jury did not make a great deal of headway yesterday. They went direct to Inlet and there inspected the rock cut and had dinner at the camp of the contractors, who have charge of the excavation. A large flat bottom barge was then pressed into service to take the jury on down the ditch toward Binghampton, thus giving them an opportunity to get a good knowledge of the county drained. The driver of the auto truck was told to meet the party about 5 o'clock at Binghampton. The barge was started out and they had gone but a few hundred feet when they struck a sand bar and the water was not of sufficient depth to carry them over. The party had to unload with the exception of Scott Morris, and he remained on the barge while the others of the party started to walk on down the ditch. The dam at the rear of the big dredge boat was opened so as to let enough water down to float the barge. Soon there was water all around the barge, but the craft had become so imbedded in the sand that it required considerable time to get it free and during this time Mr. Morris with a couple of hands from the dredging camp were alone in the boat, while the other members of the party were a mile or so down the ditch. It was the middle of the afternoon before the party were reunited and then they started on the tramp to Binghampton, where the truck was to meet them at 5 o'clock. When the party arrived in this city last evening they were a tired set and their shoes were covered with mud from the tramp along the drainage ditch.

Went Out Today

The eleven members of the jury again started out this morning and they headed for the head of the ditch in Alto township. It is expected that the attorneys in the case will get together some time during the day to try to reach an agreement to allow the eleven men to continue their work of inspection without waiting until Mr. Williams recovers sufficiently to accompany them. Unless this is done, an adjournment will have to be taken until Mr. Williams recovers or else start the proceedings all over again and elect an entirely new jury, and it is hardly thought that the interested parties would care to do this. There is liable to be a change in the weather at any time and with stormy weather it would be rather difficult to tramp over the district and if snow comes it would be impossible to view the land.

TEACHER AT NACHUSA ORPHANAGE

Miss Ada Blanche To Hereafter Be In
Charge of Children.

Miss Ada Blanche, daughter of Rev. Blanche of Davenport, who was platform manager at the Rock River Assembly for several years, has been engaged as teacher for the thirty-seven children at the Nachusa Orphanage, who will hereafter be instructed at the institution instead of at the Nachusa public school.

TEACHERS AT STATE CONFERENCE TODAY

MANY HIGH SCHOOLS ARE REPRESENTED AT MEETING

(Associated Press)
Urbana, Ill., Nov. 18.—More than a thousand high school teachers from all sections of Illinois were here today for the opening sessions of the annual high school conference at the University of Illinois. It was said that more than 300 high schools were represented. The conference will last three days.

Several speakers at the convention will be from New York institutions, but most of the discussions will be led by Illinois educators. The first general session this evening will discuss "The Junior High School," the subject being introduced by Prof. H. A. Hollister, State High School Visitor. Tomorrow evening Miss Mary E. Hall, of the Girls' High School, Brooklyn, N. Y., will lead a discussion of school literary work, and on Saturday morning Miss Theodore E. Wye of Columbia University will give the Illinois teachers her ideas on the direct method of teaching Latin.

The other sessions of the conference are to be sectional gatherings with problems of various teaching groups under round table discussion.

WOMAN KILLS WHITE DEER

DeKalb Lady Shoots Rare Animal In
Adirondack Mountains.

New York, Nov. 17.—Miss Marian Beatrice Fuller, daughter of Dr. Wm. H. Fuller of DeKalb, Ill., has the honor of having shot the first white deer in the Adirondacks in twenty years. She brought down her prize in the Mitchell pond section after hunters for years had pursued what they called "the white ghost."

Miss Fuller brought the body to the Hotel St. Louis and sent it to a taxidermist. She said today she may present it to the Museum of Natural History.

MUCH BUILDING IN NORTH DIXON

Approach of Winter Does Not Retard
Activity There.

Building on the north side of the river has been brisk this season and does not appear to slacken with the approach of cold weather. This week Contractor Elmer Uhl broke ground for a new home to be erected by N. H. Long on North Galea avenue and this morning Contractor Wm. Greig broke ground for a new house on his lot on North Ottawa avenue adjoining Mayor Henry Schmidt.

CASES CONTINUED.

The hearing in the cases of Lamar H. Shover of Chicago and Dr. James Rice of this city on the charge of speeding set for this morning before Justice Grover Gehant was continued until Monday, December 20. It will be recalled that cars driven by the defendants collided at the corner of Peoria avenue and Third street some ten days ago.

SWORN STATEMENT CONTRADICTS AUSTRIA

AMERICAN WOMAN SAYS ANCONA
WAS FIRED ON AFTER
STOPPING.

FRENCH DEFEAT BULGARIANS
But the Bulgars Keep On Sweeping
Ahead In Southern
Serbia.

(Associated Press)

Washington, Nov. 18.—The affidavit of Dr. Cecille Grell, the only native American survivor of the Italian liner Ancona, contradicts the Austro-Hungary statement that the liner was not shelled after she stopped. The affidavit has been sent by American Consul Maston of Algiers, and in it Dr. Grell says she was in the dining room of the Ancona when shots struck the vessel. She saw the destruction of the vessel by a torpedo, and saw a red and white flag and six cannon on the submarine. She knows nothing as to any other Americans on board the Ancona.

WAR SUMMARY.

A French victory over the Bulgarians in southern Serbia is reported officially. In a two days battle Gen. Sarraill's troops are said to have driven the Bulgarians to the right bank of the Vardar river. The capture by the French of the town of Kasturino and the defeat of the Bulgars on the Valondovo-Raibrovo front by British are also reported.

North of Monastir.

North of Monastir the Bulgars are said to be sweeping all before them. They are reported to have taken Perlepe, Imperilla Monastir, which the Serbians are preparing to evacuate.

Italians Make Progress.

Progress is reported for the Italians in their campaign against Georgia. Bellino, fifty miles north of Venice, has been bombarded by Austrian aeroplanes, but only three persons were injured.

Berlin's Report.

Berlin states that a British attack on German positions between Mesines, six miles south of Ypres, and Amcoenieres has failed, and that the town of Kursumlya, Serbia, has been occupied by the Germans, who captured several hundred Serbs and a number of cannon.

British On Offensive.

London announces that the British army has resumed the offensive at the Dardanelles, and have captured 280 yards of Turkish trenches.

Bombard Verona.

A dispatch from Paris says that hostile aircraft dropped several bombs on Verona, Italy, and a child was slightly hurt. There were no other casualties nor any material damage.

London, Nov. 18.—The fate of the

Serbian army may be a matter of only hours. Monastir, in southwest Serbia, is reported that the consular officials have departed from the city. From the various conflicting reports which have reached the public the following apparently may be deduced as facts: "The Bulgarians have taken Krusevo and are six miles west of Perlepe. Thus the southern Serbian army and its Franco-Serbian allies are confronted with the imminent peril of an outflanking movement."

Tetovo is in the hands of the Bulgarians.

The fate of the Serbians holding Babuna pass is more obscure. One report says that the pass has been forced. It seems certain that the defenders are at least threatened so seriously that their position soon may be untenable.

With Krusevo and Babuna in the hands of the invaders, the fate of Perlepe would be sealed and the road to Monastir opened.

SEVEN MEN HURT IN BLAST

Four Victims of Buckner, Ill., Explosion Expected to Die.

Duquoin, Ill., Nov. 18.—A telephone report from Buckner, a mining town fifteen miles east of here, tells of a disastrous gas explosion in the mine of the United Mining company here.

Seven men whose names could not be learned were burned and four of them who were rushed to the Zeigler hospital are said to have no chance for recovery. About 500 men were in the mine at the time of the explosion.

CORONER WILL HOLD INQUEST OVER BABE

COOK CO. OFFICIALS TO ACT IN
DEATH OF BABY ALLOWED
TO DIE.

HALSELDEN DEFENDS HIS COURSE

(Associated Press)

Chicago, Nov. 18.—Coroner Hoffman has decided to hold an inquest into the death of the defective infant of Mrs. Anna Bollinger. The child was allowed to die on the advice of Dr. M. J. Halselden, who said if it should grow up it would be a burden to itself and others.

Dr. Halselden has issued a statement defending his course, in which he says it is one's duty to future generations to help in the defense against defective persons.

Chicago, Nov. 18.—Nature, left to itself, righted its mistake at the German-American hospital last night. The Bollinger baby, which, in its few brief days of existence had become the center of a nation-wide storm of discussion, died peacefully soon after 10 o'clock.

The operation which would have saved its life was not performed. In the face of pressure, which culminated in a visit and a warning from the head of the city's health department, Dr. H. J. Halselden, chief of the hospital staff, clung defiantly to his position that the child, if it lived, would become a defective and that, in the name of humanity, it should be allowed to die.

Reported Dead Too Soon.

Dr. Halselden was not at the hospital at the time. By somebody's curious mistake word was sent out shortly before 8 o'clock that the baby had died at 7:30. The coroner's office was notified and Dr. H. G. W. Reinhardt, coroner's physician, hurried to the hospital to perform immediate post-mortem.

The child, wrapped in a blanket, was laid on the operating table and the fastenings gently removed. As the blanket was unrolled the baby gasped, waved its arms and emitted a low gurgle.

Dr. Halselden had not known of the intended visit of the coroner's representative and had left the hospital, saying the strain of the day's criticism had worn him out and that he was going to "lose himself" for a few hours.

Woman Trics Kidnaping.

During the afternoon an attempt to kidnap the child had been made by a woman who gave her name as "Mrs. Walsh." She had spent three hours at the baby's side, had baptized it, and had told the hospital authorities after a long, expectant wait that she would take the child away with her "if she got a chance" and would have it operated upon by a friend who was a physician.

Unnerved by the blunder about the death announcement and fearing that another attempt to kidnap the baby would be made, Dr. R. L. Feser of the hospital and Miss Beulah Freed, the head nurse, decided soon after Dr. Reinhardt's visit that the child should be removed to a room on an upper floor.

When they went into the room adjoining the office, where the child had been left alone, they found it dead.

The visit of "Mrs. Walsh" was only one of a continuous series of trying experiences which Dr. Halselden had during the day. One of these was the visit of Dr. John Dill Robertson in the afternoon.

Robertson Takes a Hand.

"Dr. Robertson demanded that I perform an operation," said Dr. Halselden. "His idea evidently was to force an operation, not with any intention of saving the child's life but to clear the atmosphere and save the city officials from an embarrassing situation."

MAD BULL ATTACKED PROF. MILLER'S AUTO

COUNTY SUPE. OF SCHOOLS HAD
UNUSUAL EXPERIENCE
WEDNESDAY.

ANIMAL GAVE CHASE TO CAR

Tried To Run Machine Down When
He Misses On First
Attack.

County Superintendent L. W. Miller did not make his usual trip to the rural school districts today for visitation and has spent the day at his office trying to regain his equilibrium after an experience of Wednesday afternoon.

The superintendent had visited schools in the vicinity of Sublette during the day and was returning to Dixon late in the afternoon in his automobile. He was taking advantage of the good roads and was driving at a good rate of speed. When a few miles from Amboy he noticed a drove of cows along the roadway grazing. In the drove was a young bull and as the superintendent came toward him this individual took a dislike to the noise of the car as it rolled along the road. He took his station near the side of the road and as the machine shot by he made a lunge for it and barely grazed the rear end. This seemed to anger him and he took after the fleeing car. There was a race well worth witnessing for several hundred yards down the road, with the auto leading and the enraged animal in hot pursuit. The animal held his own for some distance with the professor's attention divided between Mr. Bull at the rear and the roadway ahead. Finally the auto triumphed but the professor did not slacken his speed until well on down the road.

SAYS SHE IS WHITE SLAVE

Husband Has Man Arrested With
Whom His Wife Elope.

Danville, Ill., Nov. 18.—J. Raymond Rowe, who was arrested by federal officers at the request of the United States marshal at Louisville, Ky., on an indictment of two counts charging white slavery, has furnished bond. He was released after spending a night and part of a day in the Vermilion county jail.

Rowe's arrest resulted from an alleged trip from St. Louis to Louisville with Mrs. Camelia Karr, an actress, the wife of Ben Karr, a theatrical manager. Rowe was the advance agent for the company. His former home was in Mattoon, Ill.

TWO - ACRE POND FOR REARING BLACK BASS

FISH AND GAME COMMISSION
COMPLETES REARING
TANKS

(Associated Press)

Springfield, Ill., Nov. 19.—A two-acre rearing pond for black bass has just been completed for the fish and game commission at the state hatchery plant at Spring Grove, Ill. Four new cement trout ponds have been added to the equipment there so that hereafter "fingerlings" will be used in restocking the rivers, streams and lakes of the state with fish. Heretofore "fry," or fish about the size of a mosquito have been distributed. "Fingerlings," as the name implies, are about the size of a man's finger.

A fish car, with tanks capable of holding many thousands of young fish, is built for the state and when this is completed all "fingerlings" will be distributed about the state from this car, which is also planned to advertise the conservation work of the commission.

Arrangements have been completed with the federal government whereby every third car of fish rescued from overflow land along the Illinois bank of the Mississippi is distributed in Illinois. It has been the custom for the national government to take all these fish out of the state to parts of country less plentifully supplied than Illinois.

Reports received from all over the state indicate that quail are plentiful in the southern part, but elsewhere their numbers have been thinned as a result of much high water, which drowned many fledglings last spring.

QUILHOT SUED BY 7TH WIFE

Ex-Spouse, Aged 75, Says Vice Foo
Tried to Poison Her.

South Bend, Ind., Nov. 18.—Mrs. Marian B. Miller Quilhot, seventy-five years old, said to be the seventh wife of John H. Quilhot, former South Bend vice investigator and head of the house of mystery at 180 Calhoun street, Battle Creek, Mich., filed one of the most sensational divorce suits ever received by the St. Joseph circuit court.

She charges that Quilhot attempted to murder her by placing acid in her food; that he dashed hot and cold water on her when she was in feeble health; that he constantly exposed her to drafts; that he secured by fraud for no consideration real estate and property belonging to her, and that he was guilty of indiscretions with Mrs. Jules Dargush and other women. She asks \$10,000 alimony.

WOMAN'S CLUBS HAVE COMMITTEE; CENSOR VAUDEVILLE SHOWS

MANAGER ROBER OF FAMILY
THEATRE CO-OPERATING
WITH WOMEN

TO ELIMINATE OBJECTIONABLE

Three Women See Initial Perfor-
mances And Pass On the
Productions

In a small and quiet, unostentatious way, as all movements of great import start, a movement has been started in Dixon looking toward the presentation of such vaudeville in the Dixon theatres as has nothing of the objectionable or questionable in it. This in particular, and the civic righteousness, in general, is the object.

A remark made to Mr. Rorer, manager of the Family Theatre, by one of the club women of the city, who, expressing what had so often been discussed in club meetings, of the bad influence that certain remarks or acts in some of the vaudeville—the kind that leave a bad taste—must have on the morals of the community, asked if something could not be done to remedy matters. Mr. Rorer stated that if a committee of women representing the best people in Dixon would take up the matter of censoring the vaudeville, he would do all in his power to aid them in eliminating the objectionable. The matter was referred to the Dixon Woman's club and the Phidian Art club with the result that a committee has been formed with Mrs. T. J. Gulligan and Mrs. Adolph Eichler of the Woman's club, and Mrs. E. S. Newcomer of the Phidian Art club as members, and with Mr. Rorer's full co-operation, a censorship of the vaudeville at the Family theatre has already been in force for the past two weeks.

The members of the committee, who are each privileged to bring one other person with them, are given passes to the theatre and witness every initial performance of vaudeville give their suggestions to Manager Rorer as to what should be eliminated, and are present later to see that the suggestions are carried out. Manager Rorer promised the members of the committee that even should it be necessary to cancel an entire act, it should be done and he has scrupulously kept his word. The committee is valuable to Mr. Rorer, also, in the matter of booking good acts, as booking houses know the value of having their shows recommended by such a board. The pictures which are shown are supposed to be well censored and the committee does not pass upon these.

SOME MOVIE COPS ARE REAL

Los Angeles Complains That Helping
Thrillers Hurts Service.

Los Angeles, Nov. 18.—A great many of the movie policemen in the films made in and about Los Angeles are real, and protests against allowing members of the police force to work as picture cops with the film companies have been filed with the city council. It was said that some of the policemen who are on night duty are working in the daytime at the picture studios, and consequently are unfit to render efficient service in the department.

The chief of police of Los Angeles has stated that policemen will not be allowed to work permanently in the picture studios, but that there would be no objection to their acting occasionally in a picture if they wanted to.

West Pocket Essays

By GEORGE FITCH
Author of "At Good Old Siwash"
APPENDICITIS.

Appendicitis is something that usually happens just before some doctor buys a new automobile. Fifty years ago nobody heard of appendicitis. All so no one heard of the automobile. At present a man cannot be said to be up to date unless he's had appendicitis, while the doctor and the automobile are boon companions.

Appendicitis is a peculiar pain in the region of the vest pocket, which is later transferred to the region of the check book pocket. It is said by some people to be a disease. Others claim it to be a fad, while the doctor regards it as an opportunity. It comes from an insurrection of the vermiform appendix, a small annex to the intestine. There are two ways of curing it. It can be reduced by outside manipulation, or it can be cut out. In the latter case the appendix is not reduced, but the surgeon's bill can, by con and economy, be reduced in installments to a normal size.

A great many people have had explorations in their interiors by surgeons in search of appendicitis. It

is not dangerous to have the appendix taken out, providing the surgeon removes all his tools from the premises, and does not present his statement until the patient is quite strong. When the patient has recovered he is given his appendix imprisoned in a bottle of alcohol, and travels home in first and second sections like a homeseeker's train. People who have no appendix are arrogant about it—as arrogant as people who have no pasts. Between people who have been divorced from their appendices, and people who have been to Europe, life is hardly worth living for the common skates who can't afford to have alterations and improvements made on them every year or two.

The appendix was formerly a member in good standing of the human body, but it was discovered that it was not only useless, but stirred up trouble by diverting objects from their proper path through the human system and then getting swelled up over it. When this was found out the doom of the appendix was sealed. Thus it is evident that the appendix is no politician. A politician can be perfectly useless, all swelled up and can divert anything from an assistant's salary to a grand piano from the body politic, and yet the people very rarely cut him out.

RAYMOND HAS NOT LOST BOWLING GAME

CONTINUE WINNING STREAK IN Y. M. C. A. ALLEY TOURNAMENT.

Raymond's team continues its winning streak in the bowling tournament on the Y. M. C. A. alleys, capturing another contest Wednesday evening from Major's team. They have a clean record since the tournament opened, not having lost a game. The captains of the other teams state that as yet it is early and when their teams get down to business there will be a shaking up in the percentage column.

Dramatic Notes

FAMILY THEATRE.

There will be four big acts of vaudeville at the Family theatre today, matinee and night. They are Prickett & Lester, comedy novelty acrobats; Eddie O'Reilly & O'Neil Twins, singing, talking and dancing; Elona, the Squaw Girl, and Winchester & Clair, comedy musical act. The feature photo play is "The Woman" with a special star cast. Tomorrow's feature will be Theda Bara in "The Clemenceau Case." By special request Tuesday, Leslie Dietz of the famous Cameron Dam with the regular show.

PRINCESS THEATRE.

Tonight the Princess theatre will show a three reel Biograph feature entitled "Dora" with Jack Drumme, Isabel Hea, Gretchen Hartman and Franklin Ritchie in the leading roles, taken from Lord Tennyson's poem of that name. The story is a rural romance splendidly portrayed by Miriam Gretchen Hartman and Franklin Ritchie and is a drama which will please everyone. The last reel is a Selig drama, The Leaving of Lawrence, a heart stirring drama of love and devotion. Last night the audience was thrilled with the excellent feature presented and in the future Manager Slo-

thower promises an excellent variety of photo plays.

OPERA HOUSE.

The eighth episode of "Who Pays" in three reels, entitled "Today and Tomorrow" will be shown at the opera house tonight in connection with the following excellent program: "The Great Mystery Play" in two reels of Dr. Jekyll and Mr. Hyde, featuring King Baggot; "The Eagle" a thrilling drama; "The Only Child" a comedy with King Baggot and "When Hiram Went to the City," with the two rubes, Max Asher and Henry Gale.

Freight Cars Piled Up on Both Tracks At Rochelle Today.

(Special to Telegraph) Rochelle, Nov. 18.—The breaking of a wheel on a car in a C. & N. W. freight train a mile east of this city at 6:25 o'clock this morning, caused a wreck which completely blocked both tracks for several hours, tying up three passenger trains and several freights until the wreckage could be cleared up and the track repaired.

PATRON OF ASSEMBLY AND ORPHANAGE DEAD

MRS. HENRY ENHART PASSED AWAY MONDAY AT WASHINGTON, ILL.

Mrs. Henry Enhart of Washington, Ill., died Monday morning and was buried yesterday afternoon in that city. She was the wife of Henry Enhart, a prominent banker of Washington. A number of people will remember her as a frequent visitor at the Rock River Assembly of which Mr. Enhart is a large stockholder. Among other donations to good causes was the gift a few years ago by Mr. Enhart of \$100,000 to Carthage College. Mrs. Enhart was a most excellent woman with a large circle of friends among the people of the Lutheran church, her church, in this state. The Enharts were also liberal contributors to the Lutheran Orphans' Home at Natchua.

Don't Merely "Stop" a Cough

Stop the Thing that Causes It and the Cough will Stop Itself

A cough is really one of our best friends. It warns us that there is inflammation or obstruction in a dangerous place. Therefore, when you get a bad cough don't proceed to dose yourself with a lot of drugs that merely "stop" the cough temporarily by deadening the throat nerves. Treat the cause—kill the inflamed membranes. Here is a home-made remedy that gets right at the cause and will make an obstinate cough vanish more quickly than you ever thought possible.

Put 2 1/2 ounces of Pinex (50 cents worth) in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you a full pint of the most pleasant and effective cough remedy you ever used, at a cost of only 54 cents. No bother to prepare. Full directions with Pinex.

It heals the inflamed membranes so gently and promptly that you wonder how it does it. Also loosens a dry, hoarse or tight cough and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

E. J. COUNTRYMAN COMPANY

For washing dishes use a teaspoonful of Gold Dust to a full dishpan of hot water.

Follow the simple directions on every package of Gold Dust.

For washing dishes

This is one of the uses in which Gold Dust is supreme.

But remember that its use is not to be limited to washing dishes.

Gold Dust cleans, brightens and beautifies everything in the house.

It is safe, quick, and sure.

Millions of women have learned that it is the one washing and cleaning powder for all cleansing and purifying purposes.

It cleans floors, linoleum, kitchen utensils, bathtubs and bathroom fixtures, windows, fine woodwork, silver, plated, copper and nicked and enameled ware—

And it does not scratch or mar.

In the truest sense Gold Dust really works for you.

It penetrates corners that can not be reached with fingers or wash cloths and takes out dirt and grease. In addition to its activity as a cleaning powder, Gold Dust acts as a disinfectant.

It makes everything clean and pure. Gold Dust is the only cleaner you need. Its popularity is universal.

It is inexpensive and indispensable.

"Let the Gold Dust Twins do your work."

WEATHER AND WAR.

It is not generally known that "fair and warmer," "cloudy and cooler," "cold wave" and "hot spell" are as important in waging war as are airships and big guns.

The campaign of preparedness in the United States includes the co-operation of science and Uncle Sam's weather bureau is just now starting upon a very extensive plan for collecting and assembling data for use in war time.

Prof. Charles F. Marvin connected with the bureau is a member of the national advisory committee on aeronautics created by the last naval appropriation bill.

At the outbreak of the Spanish American war the United States established weather stations in the West Indies to give notice of hurricanes.

Some months ago the government was arranging to transport troops to the Panama Canal. The ship was about to sail from New Orleans when the weather bureau advised the war department that a hurricane was due to strike the canal zone very soon. The troops were held a week and escaped one of the worst storms in the Gulf of Mexico.

One of the first acts of belligerent countries in the European war was to cut off the weather service to the enemy countries.

THE INSURANCE COMPANIES PREPARE.

The Chicago Post gives us a good argument in favor of preparedness. If the insurance companies are afraid of invasion, should we not anticipate such an occurrence? The Post says:

Is the ordinary citizen aware that the conventional printed "form" of his fire insurance company contains this clause: "This company shall not be liable for loss caused directly or indirectly by invasion?"

He probably is not. He probably doesn't read the fine print on the back of his policy.

But the insurance companies, whose business it is to make an exact science out of risks to property, are not overlooking any bets. They expressly disclaim all responsibility in case of what once seemed so remote a thing as foreign invasion.

Whose, then, is the liability?

If it that of the general government?

"Military preparedness" has often been called "merely a form of insurance." It makes the description real to find that fire insurance policies almost define it as an actual class of insurance.

SOFT CORN ALL THROUGH THIS SECTION.

Lee county is not the only spot in Northern Illinois where the corn crop was poor. This entire section is in the same boat and there are thousands of farmers who will not even get seed corn out of their fields. An editorial in the Freeport Journal-Standard tells of the situation there, which is the same as in Lee:

For the first time in many years farmers of Stephenson county who have much stock to winter, are compelled to purchase corn. A number of grain dealers throughout the country are already buying corn raised outside the county to supply the farmers in this vicinity. Some of the corn is being shipped into the county from points in Iowa and some comes from central Illinois. About all the corn in this county is soft and some of it did not fill out sufficiently to make decent feed. However, the farmers of this county had abundant crops of small grain, so they are not complaining. It is not very often that they fail to raise at least enough corn for their own use.

STRIKE THE HAPPY MEDIUM.

The administration plan for national defense and that of the general staff, experts in the matter, differ materially. The latter propose to increase the standing army to 250,000 men with a reserve force of one million. This is considerably different from the politicians' plan for an army of 125,000 and a reserve of 400,000. Is it not about time that we turned over our army and navy affairs to experts? In this hour of anxiety and worry about the future of our beloved country, is it not most opportune to get away from politics in a matter so vital to us all irrespective of creed, birth or political affiliations? We have right before us in England's present struggle an example of what politics and unreadiness results in. In Germany we have an example of what infinite preparedness and readiness can do. We want neither condition in this country but must seek to strike a happy medium between the two. Certainly trained men are more competent to judge what that medium should be than laymen elected or appointed to high office.

MADE FAST TRIP

Mr. and Mrs. George Netzt of this city arrived home today from a visit in Omaha and other Nebraska cities. They made the trip in Mr. Netzt's stripped Auburn racer. Mr. Netzt drove from Cedar Rapids to Dixon on the return trip, a distance of 137 miles in four hours.

Mrs. L. E. Jacobson was called to Kenosha, Wis., this morning by the serious illness of her mother who about ten days ago sustained a fall and was seriously injured.

Mr. and Mrs. H. L. Bennett go to Chicago this afternoon where they will spend a few days. They also expect to go to Evanston.

Have your public sale published in the Evening Telegraph if you want it known.

V. A. Heft will go to Sterling tomorrow evening to assist Jarvis' orchestra at a dance.

The Sterling Elks will give their annual minstrel shows next Thursday and Friday evenings.

Miss Anna Woodbridge is visiting in Pawpaw for a few days with her niece, Mrs. Frank Edwards.

Miss Gladys Seckler of Sterling and Miss Mabel Drew of Palmyra were in Dixon Wednesday.

J. L. Welty and family of Nachusa were in Dixon today. They plan to drive to Chicago tomorrow.

Farmers, if you wish your sale given publicity have it printed in the Telegraph. It will be read by thousands.

Mrs. Heidenrich has sufficiently recovered from her recent fall to be able to be out.

ADDITIONAL SOCIETY

For Mrs. Lievan
Mrs. Ray Cramer entertained fifteen ladies yesterday at a luncheon in honor of her mother, Mrs. Louis Lievan of South Dixon. Following the luncheon a pleasant afternoon was spent with needlework and chat.

Entertained at Dinner
Mr. and Mrs. L. B. Neighbour entertained with a dinner last evening. The guests were Rev. and Mrs. E. C. Lumsden and little son, Mr. and Mrs. Harry Fordham and son and Mr. and Mrs. John Schaper. The decorations were those customary in the Thanksgiving season.

Friday Eve Dancing Class
The Friday Evening Dancing class will meet as usual at the Armory tomorrow evening, the advanced children's class meeting at 7 o'clock sharp, to be followed by the adults' class and the informal.

Hamilton Whist Club
Mrs. O. H. Martin entertains the Hamilton Whist club Tuesday, Nov. 22nd.

Dinner Guests
Mr. and Mrs. Otto Strock were dinner guests of Mrs. D. B. Uhl of N. Dixon Tuesday evening.

Post-Nuptial Shower
Mr. and Mrs. James McCoy of

Pine street, who were recently wed, were pleasantly surprised last evening when a group of fifteen friends gathered at their home. They were made the recipients of a number of handsome articles of silverware.

To DeKalb
Miss Hazel Green will go to DeKalb in the morning to be the guest for the day of Miss Esther Barton, a student at DeKalb Normal. Miss Green will return with Miss Barton and Miss Florence Buckitt in the evening. Misses Barton and Buckitt will spend the week end here with Miss Barton's parents, Mr. and Mrs. Charles Barton.

INSPECTING BRIDGES
L. B. Neighbour, county superintendent of highways, has been on an inspection tour of the bridges and culverts in the county for the past few days. The rain has hindered the inspection for the day.

NOTICE TO DEALERS
The County Home Committee of the Lee County Board of Supervisors is ready to receive bids on furniture and window shades for the new county infirmary.

Specifications can be procured at the office of the County Clerk. All bids must be in the office of the county clerk on or before the first day of December, 1915.

Nothing Strange About That
Charlie Leedy knew of a girl who asked the druggist for 15 cents' worth of aromatic spirits of kimona. We know of one who asked for 10 cents worth of puncture of iodine.—Geneva Free Press.

And we know one who was sent for powdered borax, and asked for powder'n bullets.—Houston Post.

An Ashtabula man was asked by his wife to get her some yarn. He took a story book home with him.—Ashtabula Star.

We know a man in this town whose wife was doing the family wash and complained that she could not get any suds, so he went out and bought her a barrel of beer and she hasn't done any washing since.

NOTICE TO CONTRACTORS.

No. 176.
Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed proposals for the furnishing of the labor and materials for and the construction of a cement concrete pavement on East River Street in the City of Dixon, Illinois, from the west line of Ravine Avenue Easterly to the east line of the South West Quarter of Section 33, Township 22, Range 9, the same being the east boundary line of said City of Dixon, Illinois, as provided for in Local Improvement Ordinance Number 176, Series of 1915 of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon, Lee County, Illinois, at the City Clerk's Office in said City of Dixon, until 10 o'clock in the forenoon on Tuesday, the 23rd day of November, A. D. 1915, and will be publicly opened by the Mayor of said City of Dixon, (who is President of the Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chambers in the City Hall in said City of Dixon at 10 o'clock in the forenoon of said day. Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least forty-eight hours before an award of said contract is made to any competitive bidder. After the expiration of forty-eight hours, as stated above, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City of Dixon and publicly declare the same.

The work for which said tenders are invited is the construction of 988.3 cubic yards of filling compact in place; 1750 linear feet of cement concrete curbing 6" wide at top, 8" wide at bottom and 20" deep on foundation of gravel or crushed rock 12" wide and 6" deep; 2300 square yards of cement concrete pavement with thick expansion joints on foundation of gravel or crushed rock 3" deep when thoroughly compacted into place as provided for in Local Improvement Ordinance No. 176, Series of 1915, of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to the Board of Local Improvements and to the satisfaction of the said Board of Local Improvements and Council of the City of Dixon. All proposals must be made on blanks which will be furnished bidders at said City Clerk's Office.

Payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and Council of the City of Dixon, bonds to draw interest at five per cent per annum. No bids will be considered unless the party making it shall furnish evidence satisfactory to said Board of Local Improvements and Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plats, plans, profiles and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work. Specifications for said work are on file in the Mayor's office, and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 9th day of November, A. D. 1915.

NOTARY PUBLIC IN STATE TOTAL 35,000

ABOUT 10,000 ARE COMMISSIONED EACH YEAR BY GOVERNOR

Springfield, Ill., Nov. 18.—A recent estimate, made for the secretary of state, Lewis G. Stevenson, showed that there are approximately 35,000 notary publics in Illinois. About 10,000 are commissioned by the governor each year. The annual receipts of the index department in the secretary of state's office from notary commissions approximate \$17,500.

The governor may appoint as many persons resident in the county for which they are appointed, as he deems necessary, but no persons may be appointed who are under 21 years of age or who are not citizens of the United States. Recently when Governor Dunne and Lieutenant Governor O'Hara were out of the state, State Senator Stephen D. Canady, Acting Governor, honored his wife with a commission as notary public.

Notaries must give a bond, payable to the people of the state, in the sum of \$1,000 to insure the faithful discharge of their duties. A petition signed by at least fifty voters in the town where the notary resides must be presented before a notary is commissioned. In addition, there is a fee of \$2 payable to the state and a fee of 25c payable to the county clerk. This last is for recording the date of the notary's appointment. Between one half and two thirds of the notaries in the state reside in Cook county.

JAPS BAR GERMAN MUSIC AT FESTIVITY

ONLY MUSIC OF THE ALLIES WAS PLAYED AT CORONATION FEAST.

(Associated Press)

Kioto, Nov. 17.—Only music of the allies was played today at the second of the great national feasts provided by the Emperor in celebration of his coronation. German music was barred on account of the war.

In contradistinction to the first feast held last night when the music was entirely that of old Japan, that of today was entirely modern. Court musicians rendered selections by modern composers of France, Russia and Italy, including airs by Massenet, Bizet, Verdi and the Russian genius, Serapien, who died several months ago. The selection was left to Prof. Wm. Dvoravitch, a musician attached to the household department.

Today's feast was begun at noon at the Nijo palace and was purely modern, both as to menu and entertainment. The members of the diplomatic corps, including George W. Guthrie, the American ambassador, and Mrs. Guthrie, were present, as were also a number of ministers of state, nobles, other dignitaries and representatives of the Diet.

THREE MILLION NEED CLOTHES

Women and Children in France and Belgium Need Help.

(Associated Press)

New York, Nov. 16.—Over three million persons in Belgium and northern France, mostly women and young children, must be clothed and shod by Christmas. If the garments, and shoes for these destitute people are not forthcoming at once, their sufferings during the winter will become desperate.

Such is the note of an urgent appeal to the people of the United States from the Commission for Relief in Belgium. The New York committee has received from Mr. Herbert Hoover, chairman of the commission, the following statement:

"It appears to me that it is necessary for us to go frankly to the American people and ask them for clothes for the destitute in the occupied areas of Belgium and northern France during the coming winter.

"There are nine million people in these areas and of these over one-third are now either wholly or partially destitute and are today receiving their food either wholly or partially without payment.

STEWART

Steward, Nov. 17.—The second number on the lecture course will be given here Wednesday evening. It is a lecture given by Lee Francis Ly-larger, the subject of which is "Shall America Arm?"

WARSHIP BIDS ARE TOO HIGH

Private Yards All Exceed \$7,800,000 Limit on U. S. Superdreadnoughts. Washington, Nov. 18.—None of the bids by private shipyards for construction of the two superdreadnoughts authorized by the latest congress, submitted to the navy, fell within the limit of \$7,800,000 fixed as the maximum cost for hull and machinery of each ship.

Private bids all called attention to rising prices for warship material due to the European war and also predicted delay beyond the thirty-four month construction period specified by the department.

CHOICE BUILDING LOTS

DO YOU FEEL HEADACHY?

LOOK TO YOUR STOMACH

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet this is the way Rowland Bros., the popular druggists, are selling Mi-o-na, the standard dyspepsia remedy.

Never before have they had so large a number of customers tell them that a medicine has been successful as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health.

There is no longer any need for any one suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to Rowland Bros. in guaranteeing to return the money if the medicine does not relieve. And they stand ready to do so without any questioning.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health while a complete cure often follows rapidly.

Attorney Harry Warner was in Rochelle yesterday afternoon on business.

CLOSING OUT SALE.

I will hold a closing out sale at my place of residence known as the Geo. Stitzel farm 4 miles north of Dixon on the Pine Creek road, just north of Lowell Park.

Monday, Nov. 29, 1915

BEST MINNESOTA BAIRGAIN.

About 625 acres of the best land in this state as smooth as a floor and out on the north by good river (full of fish), and out on the south by big ditch, just completed, and this ditch is about eight feet deep and shows the best of good yellow clay clear to the bottom. The top soil is the best black sandy loam to be found in Minnesota. The water is pure, and never-failing well on the place, which is occupied by tenant. This farm is as smooth as the best of the Red River Valley it should not be confused with same, as this is near the highest point of land in the state.

There is fair house and also other buildings with some fenced in pasture and also some field in crop, and all the land desired for crop can be broken with tractor and as this is new land one crop of flax will pay for it at the bargain price of \$25 per acre.

Five thousand dollars cash will handle the deal and it is near direct line to Duluth, which is the best market in the Northwest.

HEARD IN DIXON

HOW BAD BACKS HAVE BEEN MADE STRONG—KIDNEY ILLS CORRECTED.

All over Dixon you hear it. Doan's Kidney Pills are keeping up the good work. Dixon people are telling about work. Dixon people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or the passages are painful, scanty or off color, use Doan's Kidney pills, the remedy that has helped so many of your friends and neighbors. Follow this Dixon citizen's advice and give Doan's a chance to do the same for you.

Mrs. M. Y. Cox, 614 Van Buren avenue, Dixon, says: "I had a dull heavy ache in the small of my back and it was painful for me to straighten up again. I also had headaches and frequent dizzy spells. I used only one box of Doan's Kidney Pills and they removed the trouble." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cox had.
